### In Case of Errors or Questions About Your Statement or Electronic Transfers

You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies that are reflected on your statement within 33 days of the date we sent or otherwise provided the statement to you, the Credit Union will not be responsible for your loss. In case of errors or questions about electronic transfers, we must hear from you no more than 60 days after we sent or otherwise provided you the FIRST statement in which the problem or error appeared.

Call us at 860-522-5388 or write to us on a separate sheet of paper at CSE Credit Union, 84 Wadsworth St, Hartford, CT 06106. Include the following information.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint in writing, and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or questions. For new accounts, we may take up to 20 business days to provisionally credit your account for the amount you think is in error.
