

Wire Transfer Letter of Indemnification

I, _____, understand the risk of fraud and scams that can occur when initiating and processing wire transfers.

I acknowledge that CSE has warned me of fraud and scams involving sending funds through wires.

I acknowledge that CSE has offered to provide a teller check or similar instrument in lieu of wires, and I have declined that offer.

I acknowledge and understand that I am assuming full responsibility for loss in the event the wires are fraudulent.

I acknowledge that I am freely accepting the risk, and my decision to initiate and process any wires is not made under any form of coercion or duress.

By signing this document, I agree to hold CSE Credit Union harmless for accommodating my decision to withdraw funds in the form of a wire transfer.
